MASONITE®

EXTERIOR DOORS

Fiberglass and Steel

Masonite is built on a 100-year history of innovation and sustainability. We proudly manufacture our doors using renewable natural resources to be better stewards of our planet. We thoughtfully design our selection and purchase processes to provide a best-in-class customer experience. We strive to deliver on these promises — every time.

We are on a mission to make life better as we elevate the “everyday door” into something extraordinary. We create beautiful, durable exterior and interior Doors That Do More™ in a curated portfolio that fulfills human needs for comfort, safety, security, and convenience so that people can rest, learn, work, and live more comfortably.

As we enter our next century, we will continue to ask what more can our doors do to make life better.

Introducing

m·protect™ Multi-Point Security Lock

4X STRONGER* THAN A STANDARD DEADBOLT

The M-Protect Multi-Point Security Lock delivers enhanced security to the Masonite® Performance Door System.

*Testing performed on a door without glass; results may vary for other door styles.

Masonite® Performance Door System + m·protect™ Multi-Point Security Lock

1 SQUARE EDGE DOOR

Fits perfectly into the frame.

2 ENDURA® PE650 WEATHERSTRIPPING

Made to snap back into shape when bent or twisted, this low-wick memory foam weatherstripping stops both air and water in its tracks.

3 ENDURA® SIMPLE SOLUTION® CORNER PADS

For inswing doors only: Stops upward water pressure and forms a tighter seal.

4 ENDURA® Z-ARTICULATING CAP SILL™

For inswing doors only: Automatically adjusts to conditions as they change over time without the need to make manual adjustments.

5 M-PROTECT™ MULTI-POINT SECURITY LOCK

Innovative multi-point lock that works with off-the-shelf hardware, supports forgiving installation, and delivers lasting performance.

10 YEAR
LIMITED WARRANTY

Note: Outswing Masonite® Performance Door System options also available.

Better. Stronger. More Secure.

Elevate security with M-Protect™. When integrated into any Masonite® Performance Door System, our multi-point lock is **4X stronger than a deadbolt***— delivering enhanced protection against break-ins, and surpasses one of the highest levels of industry benchmark tests for security.

Featuring tapered bolts and adjustable strike plate rollers, its design compensates for imperfect installations to ensure smoother everyday use. Unlike some competitors, our system is available with a range of hardware options, including electronic and smart locks.

Plus, enjoy added peace of mind with our trusted 10-year limited full replacement warranty that also covers re-installation costs in case of water resistance warranty breach.

*Testing performed on a door without glass; results may vary for other door styles.

Exterior Door Collections

Our dedication to superior craftsmanship allows us to deliver unsurpassed quality and value in both fiberglass and steel entry doors. We offer a comprehensive selection of door styles, finishes, and decorative glass options — all crafted with exacting attention to detail.

Home Styles Defined

Doors make all the difference when it comes to introducing a space and those who live in it — that's why Masonite offers doors that complement any home.

To simplify the selection process, doors are arranged based on the four most popular styles of homes in the United States: Classic, Craftsman, Transitional, and Modern.
