---

International Window Company (IWC) warrants its window and door products to be free from defects in material or workmanship that significantly impair their proper operation for the lifetime of your home for as long as you own it.

### Coverage:

The lifetime coverage of this warranty applies to original owners of single-family homes and owners of single-family homes who purchase IWC products for remodeling or replacement. Proof of purchase and of continuous ownership will be required.

- \* For commercial buildings, multi-family dwellings, apartments and other types of buildings, the warranty period shall be ten (10) years following the date of purchase.
